

THERMAL VENTURES DISTRICT HEATING AND COOLING

Thermal Ventures welcomes The Crowne Plaza,

**There are more than 450 other buildings
that enjoy the benefits of
district heating and cooling from
Thermal Ventures.**

Here's why: Buildings that use district heating and cooling gain the extra space used for on site heating and cooling plants and save money on equipment maintenance and operations. You can have an unlimited source of heat, domestic hot water, and steam for absorption air conditioning that can cool your building. District heating and cooling is clean, reliable, efficient and competitively priced with alternate energy sources.

For complete information on the benefits of district heating and cooling...
